Discount on 1 tonne of recycled PET beverage bottles [2)]	6 636 CZK / t
Fee under the Contract on Collective Compliance of Part III Art. VII. Par. 2 of the General Terms and Conditions	1 600 CZK / year

All prices are without VAT. The invoices are issued in CZK only.

1) Packaging that does not meet the criteria of Section 13, Par. 3 of the Packaging Act No. 477/2001 Coll., and packaging and packaging means listed in Part D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.

2) In the case of PET sales packaging which contain beverages and is rigid or hollow rigid containers with a capacity of up to 3 litres, the amount of the remuneration shall be determined as follows:
- on the basis of the relevant unit rates of the Price list, the amount of the remuneration shall be determined for that part of the packaging which consists of primary PET and for that part of the packaging which consists of recycled PET (rPET);
- furthermore, the amount of the recycling discount shall be determined as a multiple of the unit rate of that discount and the weight of the rPET part of the packaging, up to a maximum weight equivalent to 35% of the weight of the PET packaging in question;
- the amount of the remuneration for the PET packaging in question shall then be determined by deducting the recycling discount from the sum of the remuneration for the primary PET packaging and the remuneration for the rPET packaging; if the amount of the remuneration would then be negative, the remuneration for the PET packaging in question shall be zero.

The meaning of terms used in the Price List is given in Article II. of the General Terms and Conditions of EKO-KOM, a.s. governing the rights and obligations arising from the Contract of Collective Compliance.
