	Lightweight plastic bag < 15 microns					

- 1) Packaging and packaging means listed in Part C and D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 2) Beverage containers with a capacity of up to 3 litres, i.e. receptacles used to contain liquid, e.g. beverage bottles, including their caps and lids, and composite beverage packaging, including their caps and lids, but not glass or metal beverage containers that have caps and lids made from plastic, including their caps and lids, listed in Part C of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 3) Packets and wrappers made from flexible material containing food that is intended for immediate consumption from the packet or wrapper without any further preparation, listed in Part C of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 4) Cups for beverages made from plastic, including their caps and lids, listed in Part D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 5) Cups for beverages made partly from plastic, including their caps and lids, listed in Part D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 6) Food containers made from plastic, i.e. receptacles such as boxes, with or without a lid, used to contain food which is:
  - (a) intended for immediate consumption, either on-the-spot or take-away,
  - (b) typically consumed from the receptacle, and
  - (c) ready to be consumed without any further preparation, such as cooking, boiling or heating, including food containers used for fast food or any other meal ready for immediate consumption, except for beverage containers, plates and packets and wrappers containing food. Listed in Part D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 7) Food containers made partly from plastic, i.e. receptacles such as boxes, with or without a lid, used to contain food which is:
  - (a) intended for immediate consumption, either on-the-spot or take-away,
  - (b) typically consumed from the receptacle, and
  - (c) ready to be consumed without any further preparation, such as cooking, boiling or heating, including food containers used for fast food or any other meal ready for immediate consumption, except for beverage containers, plates and packets and wrappers containing food. Listed in Part D of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
- 8) Plastic carrier bags provided to consumers at the point of sale of the products, listed in Part C of Annex No. 4 to the Packaging Act No. 477/2001 Coll.
